Published Every Friday at

Lovington - - - New Mexico.

Entered as second-class matter February 11, 1910, at the post office at Lovington, New Mexico, under the Act of March 3, 1879.

Published weekly and devoted to the interest of Lovington and the PLAINS country.

SUBSCRIPTION PRICE \$1.00 PER YEAR

Lovington is still booming. The might happen. With two railroads pointing in her direction, the real estate men over there are awakening from their "Rip Van Winkle" nap.

We also learned that the Blythe ranch near Seminole, Texas, sold recently for \$48,000 and that Mr. Blythe and a few of his neighbors had made a trip over to our plains country to invest in New Mexico land. This sounds as though there was some stir about a railroad.

If you think Lovington is not progressing just walk around a bit, and be sure to drop in at the ledger office if you want to hear the merits of our county discussed, as with another real estate company opened up in this building under the management of A. Jackson and W. R. Allen, the Leader has a good opportunity to hear the various merits of our country discussed. And not strange to say, most of the people coming to our town are favorably impressed with our country and our town especially.

These gentlemen have entered into their occupation with a neat, clean office, newly painted signs, maps, etc., and with a zest that who saluted him best, was shown us who saluted him best, to make the race, and from this it seems that his election as assessor for that county is almost assured, if no, his opponents will know that they had a very close run.
